

Ashdod Port and Global Partners Present:

# OSAKA INTERNATIONAL BUSINESS FORUM

This exclusive forum fosters business ties between Japan, the U.S., and the Middle East, bringing together senior leaders from government, business, and investment. Organized by Ashdod Port and Cybertech Global, it highlights innovation in logistics and infrastructure. Ashdod Port, Israel's most advanced, leads the maritime sector's digital shift through AI and smart logistics.

**Participants will** Connect with top decision-makers,  
Explore joint ventures and trade pathways,  
Gain insights into innovation across regions

Join us to build new alliances and shape future economic partnerships
